ARTICLE I - RECOGNITION

It is mutually agreed, understood and acknowledged that the Heat & Frost Insulators and Asbestos Workers Local Union No. 6 is the sole and exclusive bargaining representative of the Asbestos Abatement Workers covered by this Agreement. Upon the Union's request for recognition as majority representative, the Employer verified the evidence presented by the Union demonstrating that the Union represents an un-coerced majority of the Employer's abatement employees. Based on this clear and unequivocal demonstration of majority support, the Employer recognizes the Union as the sole and exclusive bargaining representative and acknowledges that the Union represents a majority of employees employed to perform bargaining unit work.

ARTICLE II - TRADE AND WORK JURISDICTION

This Agreement covers the rates of pay, hours of work, and other terms and conditions of employment as specified in this agreement for that classification of Local No. 6 personnel engaged solely in the removal of asbestos containing insulation and hazardous materials within the jurisdiction of Local No. 6 known as Asbestos & Hazardous Abatement Workers. Asbestos & Hazardous Abatement Workers may engage in any abatement work directly associated with the performance and completion of a asbestos and/or hazardous materials abatement project except they may not apply insulation or do any other work otherwise covered by the basic Local No. 6 Labor Agreement.

ARTICLE III - LICENSE

Such payment shall commence on the day of employment. Time worked by Asbestos Hazardous Abatement Workers under the jurisdiction of Local No. 6, other than those fully enrolled as apprentices of Local No. 6, shall not be counted toward Local No. 6 apprenticeship time or journeyman time.

The Employer has the right to send on each job one (1) Licensed Asbestos and/or Hazardous Abatement Supervisor or Foreman of his own selection or the employer may request a Licensed Asbestos and/or Hazardous Abatement Supervisor or Foreman from Local No. 6. All other workers are to be furnished by Local No. 6 and shall be fully Trained and Licensed Asbestos and/or Hazardous Abatement Workers in accordance with applicable State and Federal Law.

In the event Local No. 6 is unable to supply sufficient Trained and Licensed Asbestos and/or Hazardous Abatement Workers within forty-eight (48) hours, excluding Saturdays, Sundays and Holidays, of the request to the Union by the Employer, the Employer may then supply his own trained Licensed Employees.

APPENDIX 1

DELIQUENCY PROCEDURE
ASBESTOS WORKERS LOCAL 6
PENSION, HEALTH AND WELFARE FUNDS

The current schedule of payments requires that fringe benefit contributions be remitted no later than the fifteenth (15th) day of the month following the month during which the hours were worked and for which the contributions are due. Contributions for hours worked during January are due in the Fund office no later than February 15th. Contributions for hours worked during February are due in the Fund office no later than March 15th, etc.

Contributions due on the 15th day of the month will be considered delinquent if not received in the Fund office by the close of business on the 25th day of the month (or the first business day thereafter if the 25th is not a business day). Delinquent contributions will be subject to the following interest and/or penalties:

1. Interest at the prime rate as set by Bank of America, plus 3% or
2. \$100.00 per day

whichever is greater. Interest on delinquent contributions will be assessed retroactive to the due date (the 15th of the month) and will be payable for each and every day thereafter until the delinquency is paid. Penalties of \$100.00 per day will be assessed retroactive to the delinquency date. Interest and/or penalty payments must accompany the payments of the delinquent contributions.

The following delinquency procedures will be in effect immediately:

1. The Trustees will notify employers in writing of the non receipt of contributions past due on the 20th day of the month. Notice will be sent by the Administrator through U.S. Mail. This written notice is not a prerequisite to becoming delinquent and failure to receive said notice shall not be a defense to delinquency.
2. The Trustees will attempt to phone past due employers on the last working day before their unpaid contributions become delinquent. This telephone notice is not a prerequisite to becoming delinquent and failure to receive said notice shall not be a defense to delinquency.
3. The Trustees Delinquency Subcommittee shall meet as soon as possible at some point after the close of business on the day on which unpaid contributions become delinquent, but before the first day of the next month. At that meeting, the subcommittee will decide what legal action shall be instituted to compel payment of delinquency contributions. The Union's rights under Article XI, of the Agreement between the Insulation Contractors Association of New England and Asbestos Workers Local No. 6 of Boston shall be independent from the rights of the Trustees. Local No. 6 may exercise any and all rights it has under Article XI without prior approval to the Trustees or the Delinquency subcommittee.

The Trustees intend to institute legal proceeding to collect delinquent contributions. In any such proceedings, the Trustees will not be limited to the interest and/or penalties described herein. On the contrary, the Trustees will request the Court to grant the broadest available penalties and remedies, including, but not limited to attorneys fees.
